

Safety is our #1 priority for our customers, employees, and partners.

As we monitor the developing guidance from government and health officials about COVID-19 (coronavirus), we are continually updating our policies for the safety of our customers, employees and partners. Our model homes and Sales Centers will now be **open for guided tours by appointment only**.

For more information on our homes or to set up a tour at one of our communities, simply visit beazer.com and call the community phone number listed. You will also be able to virtually tour many of our models online. Should you have additional questions about our community and home offerings, our New Home Counselors are available to assist you.

We thank you for your patience and understanding during this unprecedented time, and we look forward to welcoming you at our Beazer Homes communities.

Sincerely,

The Beazer Homes Team
