

Safety is our #1 priority for our customers, employees, and partners. As we monitor the developing guidance from government and health officials about COVID-19 (coronavirus), we are continually updating our policies for the safety of our customers, employees, and partners.

Our model homes and Sales Centers are **now open** for tours during the hours of operation posted on beazer.com, with certain precautions and cleaning protocols in place. Please feel free to stop by the community during business hours or set an appointment for a private tour - whichever is convenient and comfortable for you.

In the case the Sales Center doors are locked upon arrival during business hours, a sign will be posted with the community phone number in order to speak to the New Home Counselor. The Sales Center doors will be locked for the following reasons:

- The New Home Counselor is holding a personal tour through the model
- Maximum capacity has been reached of 8 non-Beazer personnel

For more information or to set up a tour at any of our communities, please visit beazer.com and call the community phone number listed.

We thank you for your patience and understanding during this unprecedented time, and we look forward to welcoming you at our Beazer communities.

Sincerely,

The Beazer Homes Team
